MEMORANDUM FOR: Deputy Director for Management and Services

SUBJECT : Special Report

1. This memorandum is in response to a request to provide information on situations or associations that might appear to be irregular on the surface.

2. Details to the White House and Government Agencies - Background: For many years the Central Intelligence Agency has detailed employees to the immediate office of the White House per se and to components associated intimately with the immediate office of the President such as the Council on International Economic Policy and the President's Foreign Intelligence Advisory Board. We have furnished secretaries, clerical employees and certain professional employees on a reimbursable and non-reimbursable basis. At the present time, we have no clericals or professionals assigned to the immediate White House office, but we do have one young man detailed to their Communications Section. There are detailees to PFIAB and CIHP. I might point out that we had detailed to the White House as late as the fall of 1970 couriers, telephone operators, a laborer assigned to the grounds and a graphics man who designed invitations for State dinners. By October of 1970, more funds were apparently available to run the White House and most of our detailees were hired as bona fide White House employees. CIA is not the only Agency furnishing the White House with detailees. Levies have been made by this Administration and others on Defense and State and other Government entities whose employees have Top Secret clearances.

Professional officers have been and are at the present time assigned to the National Security Council and we have seven clericals on detail to NSC on a reimbursable basis.

In addition to the above, we have technical specialists detailed to NSA, an instructor at the National War College and

3. Details to the White House and Government Agencies -
Discussion: Details to NSC, the White House, NSA and the
National War College are probably quite defensible.

Each detail of an Agency employee to the White House or other Government agency has been carefully considered and approval at a higher level obtained when professionals were involved.
